

Project Name:		SpaceX									
Type of Testing:		Negative Testing									
Test Prepared and Executed by:	Victoria Timura										
	Tatsiana Lentz										
	Andrei Markovich										
	Valentina Maskaevna										
	Zaira Avramov										
	Volha Bratuhin										
	Natalia Skuba										
Julia Delmar											
Elena Okhovskaya											
Test prepared Date:		8/6/2024									
Test Execution Date:		8/6/2024									
Browser:		Google Chrome									
Version:		125.0.6422.113									
Prerequisite:		Enter https://www.spacex.com/ in the browser and open SpaceX website.									
Prepared by:	TC ID:	Test Priority:	Module Name:	BR ID:	Test Title (REQ):	Steps Description:	Test Data:	Expected Result:	Actual Result:	STATUS (Pass/Fail):	
Prepared by: Victoria Timura Device: HP ENVY x360 OS: Windows 10 Home Version: 22H2	TC - 001-1	Highest	Contact page	BR001-1	Verify user not able to enter 1 letter or special characters of First Name and Last Name fields	1. Enter https://shop.spacex.com/cart				FAIL	
					2. Click Checkout button						
					3.Fill out First Name field	@					
					4. Fill out Last Name field	K	User should get Alert	user able to save contact with one letter and special characters in Last and First name fields			
					5. Click Continue to shipping button						
	TC - 002-2	Highest	Contact page	BR002-2	Verify user not able to enter special character in the City field	1. Enter https://shop.spacex.com/cart				FAIL	
					2.Fill out all field						
					3.Fill out City field	R					
					4. Click Continue to shipping button		User should get Alert	User able to Save contact form with One letter in City field			
Prepared by: Zaira Avramov Device: Lenovo laptop OS: Windows 11 Home Version: 23H2	TC - 003-3	Medium	Shop	BR003-3	Validate that user is not able to subscribe with invalid format email	1. On the homepage locate "shop" link in the menu, click 2. From the shop page select item "Super heavy chrome model" click 3. Under said out button locate "Notify me" box 4. In the Email field put invalid format Email: 990!	Email : 990!	User should not be able to subscribe with invalid Email.	User is able to subscribe with invalid Email. Message "You're now subscribed to receive updates when the product is back on stock." is present	Fail	
					Validate that user in unable to put "coming soon" item to cart	1.On the homepage locate "shop" link in the menu, click 2.From the shop page select item "Super heavy chrome model" click 3. Click on "coming soon" button.	"coming soon" button	User should be unable to add "coming soon" item to cart. "coming soon" button should be not clickable.	User unable to add "coming soon" item to cart. "coming soon" button is not clickable.		
	TC - 004-4	High	Shop	BR004-4	Validate that user unable to register without a name input	1. On the homepage locate "shop" link in the menu, click. 2. On the shop page in the header locate account link.click 3. Locate "Create one" click. 4. Leave First name and Last name fields empty. 5. Enter valid address : kyax51885@cnurbano.com 6. Enter password: 12345 7. Click on "Create my Account"	Email: kyax51885@cnurbano.co m Password: 12345	User should not be able to register without name input	User is able to register without name input	Fail	
					Validating that Log in is not available using only Email without Password	1. On the homepage locate "shop" link in the menu, click. 2. On the shop page in the header locate account link.click 3. In the Email field enter valid Email that was used in prior registration : kyaxd1885@cnurbano.com 4. Leave the Password field empty	kyax51885@cnurbano.co m	User should not be able to Log in using Email only without Password	User is not able to Log in using Email only without Password. Message "Please fill out this field " is present.		
	TC - 006-6	High	Shop	BR006-6	Validating that Log in is not available using only Email without Password	1. On the homepage locate "shop" link in the menu, click. 2. On the shop page in the header locate account link.click 3. Leave the Email field empty 4. In the Password enter valid Password that was used in prior registration : 12345	Email: kyax51885@cnurbano.co m Password: 12345	User should not be able to Log in using Password only without Email	User is not able to Log in using Password only without Email. Message "Please fill out this field " is present.	Pass	
					Validating that Log in is not available using only Password without Email	1.On the homepage locate "shop" link in the menu, click. 2. On the shop page in the header locate account link.click 3. Leave the Email field empty 4. In the Password enter valid Password that was used in prior registration : 12345		User should not be able to Log in using Password only without Email	User is not able to Log in using Password only without Email. Message "Please fill out this field " is present.		
	TC-007-7	High	Shop	BR007-7							Pass
Prepared by: Zaira Avramov Device: MacBook Air M1 OS: Windows 11 Home Version: 14.5	TC-008-8	Highest	Falcon 9	BR008-8	Validate that user is unable get access to Supplier Documentation by entering a wrong password	1. Locate "Falcon 9" link in the header on th main page 2. Click on the link. 3. Scroll down till the bottom of the page 4. Locate "View Documentation" button 5. Click on it. 6. Enter a wrong password.	Password: Aabc123		User is unable to gain access to the documentation	User is unable to gain access to the documentation	Pass
	TC-009-9	High	Falcon 9	BR009-9	Validate that user is not able to enter a decimal number as a quantity for a product	1. On the homepage locate "Shop" link and click on it. 2. Locate "X Collection" and click on it. 3. Click on "View All" 4. Choose a product and click on it. 5. Enter a decimal number under Quantity.	Quantity field: 1.5		User is unable to enter a decimal number as a quantity for a product	User is unable to enter a decimal number as a quantity for a product	Pass
